## Abstract

15 One or two sentences providing a **basic introduction** to the field, comprehensible to a  
16 scientist in any discipline. Two to three sentences of **more detailed background**,  
17 comprehensible to scientists in related disciplines. One sentence clearly stating the **general**  
18 **problem** being addressed by this particular study. One sentence summarizing the main  
19 result (with the words “**here we show**” or their equivalent). Two or three sentences  
20 explaining what the **main result** reveals in direct comparison to what was thought to be  
21 the case previously, or how the main result adds to previous knowledge. One or two  
22 sentences to put the results into a more **general context**. Two or three sentences to  
23 provide a **broader perspective**, readily comprehensible to a scientist in any discipline.
